Course Information

- **First Aid** - To administer safe and effective First Aid in the wind turbine industry/ WTG environment in order to save lives and prevent further injury, until the casualty can be handed over to the next level of care.
- **Fire Awareness** – Identify possible fire hazards within the wind industry. To prevent fires conduct initial and appropriate judgement when evaluating a fire, manage evacuation of personnel to ensure all are safely evacuated and accounted for in the event of an unmanageable fire. If it is judged to be safe, to efficiently extinguish an initial fire by using basic handheld firefighting equipment.
- **Working at Height** - Use of basic PPE and perform safe work whilst at height with a comprehensive knowledge of basic rescue from height in a remote wind turbine environment.
- **Sea Survival** - To act safely and take the correct preventive actions in all aspects of offshore operations from shore to installation vessel or WTG and vice versa, during normal operation and in an emergency in an offshore wind energy environment.

- **Manual Handling** – To reduce the risk of injury in a wind turbine/environment. Encourage participants to perform their tasks and activities in the safest possible manner.

What you need to bring:

- **Clothing** -Safety boots and suitable clothing to climb in – appropriate for training delivered outside in all-weather e.g. breathable, warm, waterproof, windproof etc kneepads advised.
- **PPE**-Gloves suitable for working at height and safety glasses.
- **Sea Survival** – Clothes for under an immersion suit (i.e. shorts, T-shirt) old trainers (will get wet), towel, shower bag and flip flops.
- **Photographic Identification**- Valid Passport, driving license, UK ID or similar which the trainer will check before the course begins.

What we will provide:

- **Lunch** – A wide variety of lunch options available. If you have any dietary requirements, please inform us via email or a member of the team at the earliest opportunity and we will endeavour to accommodate. There is also a well-equipped kitchen/galley area for making tea, coffee, and cold drinks. You are welcome to use these facilities, including microwave, or bring your own packed lunch/food.

Course Location:

- **Address** – The GRO Centre is located in the ABP Port of Grimsby, you will pass Security & Information Point on Murray St and follow the signage on the roundabout for OTC. To get to the ABP security and information point, use the postcode DN31 3AS in your sat nav. If stopped by security you will be asked to show photo ID.

Gro Centre, Humber Bridge Road, Port of Grimsby, North Lincolnshire DN31 3AS

Security Point
